- Confident producing VT packages.
- Experienced in producing and directing high profile talent.
- Solid understanding of legal and editorial guidelines for broadcast.
- Specialise in Format, Fact Ent, Obs Doc, Daytime and Children's programme making.

TESTIMONIAL

"Beccy is a brilliant edit producer! She's creative, tenacious, extremely dedicated and fast. I've worked with her on 2 completely different genres of production proving her versatility. She quickly establishes a workflow with editors, has excellent avid skills which saves lots of time in offline and makes sure trawling through rushes is thorough, and she's adept at navigating complex storylines to create entertaining, informative and factually accurate scripts. Highly recommended."

Susie Staples, Series Producer
