Chris is an Experienced DIT & WorkFlow Supervisor, having worked on HETV Drama/Feature Films/Feature Documentary/TVC & Promos. Chris has filmed in Southern Africa, Out at sea & through out Europe carrying out his job as a DIT. Previous to the film industry he spent four years serving a Police Officer working in one of the most demanding London Broughs, giving him unique skills & experiences that an ordinary civilian would not have. Chris was injured on duty which lead him leave & take up work within the UK Film industry.

Additional skills; Motorcycle licence, Advanced Paid Diver.

Emergency response including major & critical incident management as first person on scene. Dymanic risk assessments.
