Email: liampclayton@gmail.com **Phone:** 07734 300357 **Website:** liamclaytonsound.com

London based professional freelance sound engineer, mixer and sound designer working in TV, film, ads and podcasts.

Previously at Wise Buddah Studios in London, I have ten years experience of delivering high quality work and demonstrate a committed and flexible approach to what I do. With my home studio I am fully established to work either remotely or at a facility for studio-based, client-attended sessions.
