### Profile

---

I am a multi award-winning **lighting cameraman, DOP and aerial drone pilot** with **industry-grade kit**, including the recent Netflix approved **Canon C500 Mark II**. I specialise in **documentary** filming, but also have experience across a broader spectrum of projects such as **entertainment, sports and live/pre-recorded studio**. This can all be viewed in greater detail on my website, [www.nicocam.com](http://www.nicocam.com) along with my showreel, kit list and other previews of my work.

### Professional Experience (Selected Credits) (Awards in *Italic*)

## *FILM EDUCATION*

---

**Southampton Solent University: BA (Hons) Television & Video Production**

**2011-2014**

I improved my knowledge in all aspects of filming during my time at university. This included film, documentary, studio and outside broadcasting. I gained a great deal of experience through my own hard work and enquiring mind.
